

MARBEFES has launched the online survey “The Social and Cultural Benefits of Morecambe Bay”

Do you live in, visit, or enjoy Morecambe Bay? Help us to understand how it is used and valued.

How does the Bay support benefits like recreation, relaxation, and cultural heritage? How healthy is the Bay? How should the bay be managed?

This research considers how social and cultural aspects of coasts can be better included in marine policy and decision-making.

Please take the (20-min) survey: <https://eu.surveymonkey.com/r/VCCHVDM>
