We are launching another survey.

“The Social and Cultural Benefits of the Curonian Lagoon”

The aim of the survey is to better understand the social and cultural benefits that nature provides to people, and how these benefits are related to the state of the environment?

Do you live in, visit, or enjoy the Curonian Lagoon?

Contribute to an international study on the human connection with nature! Please take the (15-min) survey and share your experience:

The Social and Cultural Benefits of the Curonian Lagoon

Survey on the cultural ecosystem services provided by the Curonian Lagoon

Contribute to an international study on the human connection with nature!

Scan the QR code and share your experience:

The study, conducted by an international team of researchers from **University College Dublin and Klaipėda University**, aims to better understand the social and cultural benefits that nature provides to people, and how these benefits relate to the state of the environment.
