The SC meeting took place in Zandvoort on 3-4 April 2025.

The meeting agenda was focusing on specific topics to facilitate moving away from working groups and to dwell into integration and interaction within the BBTs and WPs. During the first meeting slot, information on the progress of the project task realization through the WPs was presented.

The nest time slots involved discussions on the following topics:
- Tool box design and content, as well as dissemination of toolbox outputs.
- PSAB and extended stakeholder group.
- Revision of Communication and Dissemination plan.
- Coordination of BBT work, including publications.
- WP7 protocols: OL, senior citizens, myths and urgent issues.
- Data management, including data products and MARBEFES BBT data base.
- Next reporting period: dates, deadlines, coordination.
- Planning for General Assembly to be held in Seville, Spain between 6 and 10 October 2025.
