

<b>WORK PACKAGE NUMBER</b>	<b>LEAD BENEFICIARY</b>	<b>WORK PACKAGE TITLE</b>	<b>START MONTH</b>	<b>END MONTH</b>
WP1	HuFoSS	Stakeholder Involvement and Governance Rules	1	48

## **OBJECTIVES**

WP1 will inventory views of stakeholders, policy and management organisations regarding

- 1) perceptions on the social ecological systems of the BBT they are connected to,
- 2) their present needs and future requirements for tools and measures to optimize use and management of marine areas and safeguard a healthy marine ecosystem and its biodiversity, and
- 3) acting rules and regulations touching upon the ecology, biodiversity and ecosystem services in the marine zones of the BBTs, with an emphasis on Marine Protected Areas.

Moreover, to allow for co-design by stakeholders during the entire project they are invited to contribute to all actions, and to test and evaluate results and outcomes of WPs and Tasks during the lifetime of the project. To this end, in cooperation with all WPs, workshops will be organized to inform and engage stakeholders. The outputs will be sets of recommendations by stakeholders to strengthen the impact of results from other WPs.

## **DESCRIPTION OF WORK**

In an iterative process, views of stakeholders will be inventoried following harmonized interview protocols based on stakeholder scoping meetings and workshops from start till end of the project.
