

MARBEFES has launched an online survey on the sea, coasts, and wetlands of the Gulf of Oristano, Sardinia.

Do you live in, visit, or enjoy the Gulf of Oristano? Help us to understand how it is used and valued.

How does the Gulf support benefits like recreation, relaxation, and cultural heritage? How healthy is the Gulf? How should the Gulf be managed?

This research considers how social and cultural aspects of coasts can be better included in marine policy and decision-making.

Please take the (15-20 min) survey: <https://ec.europa.eu/eusurvey/runner/136a8c14-8ce3-e8a3-5710-8cff213f1265>
